SWEP Monthly Newsletter

Welcome to the SWEP Rocky Mountain Chapter's new monthly newsletter! We are excited about our upcoming speakers and events and want to get the word out so you can mark your calendars for upcoming events and participate. If you have ideas for the newsletter, please e-mail us at: mountainswep@gmail.com.

Enviro News:

ITRC has developed a series of fact sheets to summarize the latest science and emerging technologies for per- and polyfluoroalkyl substances (PFAS). The fact sheets are tailored to the needs of state regulatory program personnel who are tasked with making informed and timely decisions regarding PFAS-impacted sites.

The fact sheets are located at:

<https://pfas-1.itrcweb.org/fact-sheets/>

Membership Benefits

- ◆ Supporting SWEP goal of providing educational scholarships to students in environmental programs
- ◆ \$5 off each event
- ◆ 3-4 educational luncheons per year
- ◆ 1-2 networking mixers per year
- ◆ Access to a member website for announcements and employment opportunities

Note that membership is from Jan 1– Dec 31

Membership forms available at www.swepcolo.org

Book Recommendation:

Blink

"Blink is a book about how we think without thinking, about choices that seem to be made in an instant—in the blink of an eye—that actually aren't as simple as they seem. Blink reveals that great decision makers aren't those who process the most information or spend the most time deliberating, but those who have perfected the art of "thin-slicing"—filtering the very few factors that matter from an overwhelming number of variables" —amazon.com

If you are interested in becoming more involved with SWEP or have any information or environmental news you would like to share in our next newsletter, please contact us at mountainswep@gmail.com
