### Enviro News:

ITRC has released the following guidance: LNAPL-3: LNAPL Site Management: LCSM Evolution, Decision Process, and Remedial Technologies, which builds upon and supersedes both previous ITRC LNAPL guidance documents in an updated, web-based format. LNAPL-1 and LNAPL-2 are still available for review; however, LNAPL-3 is inclusive of those materials with new topics presented and previous topics elaborated upon and further clarified. For more information, see the news release here:

### Book Recommendation:

*The Speed of Trust: The One Thing That Changes Everything*

Stephen M.R. Covey

"Trust, says Stephen M.R. Covey, is the very basis of the new global economy, and he shows how trust—and the speed at which it is established with clients, employees, and constituents—is the essential ingredient for any high-performance, successful organization." —amazon.com
