### Quarterly Book Discussion

Thank you those that joined our quarterly book discussion on Crucial Conversations. Our next quarterly book discussion will be a discussion on *Bringing out the Best in People: How to Apply the Astonishing Power of Positive Reinforcement* by Aubrey C. Daniels. We will be providing more information on the date and location in the near future. See the excerpt below for more on this book.

### Membership Benefits

- ◆ Supporting SWEP goal of providing educational scholarships to students in environmental programs
- ◆ \$5 off each event
- ◆ 3-4 educational luncheons per year
- ◆ 1-2 networking mixers per year
- ◆ Access to a member website for announcements and employment opportunities

Note that membership is from Jan 1– Dec 31

Membership forms available at [www.swepcolo.org](http://www.swepcolo.org)

### Enviro News:

Jefferson County Planning and Zoning is exploring potential updates to their Comprehensive Master Plan and they are looking for your feedback. The Comprehensive Master Plan is used when making land use decisions including rezoning, special use and site approval. The plan was adopted by the Planning Commission and based on community input. For more information, or provide feedback online through their survey, see the news release here:

<https://www.jeffco.us/2584/Plan-Updates>

### Book Recommendation:

*Bringing Out the Best in People: How to Apply the Astonishing Power of Positive Reinforcement*

"With a behavioral foundation and new chapters on employee engagement and the impact of the exponential increase in technology, this latest edition features all new examples, updated approaches to effective recognition and rewards systems, tips for stimulating and fostering innovation and creativity, and productive ways to embrace and empower the multi-generational workforce, including Millennials and future generations.." —amazon.com
